Fremont H. Teed Elementary School School Report Card 2005-06

OUR MISSION

The Kuna School District is committed to teach each student to become a lifelong learner and a contributing, responsible citizen.

KEEPING YOU INFORMED

This report is a summary of some indicators of the performance of our school. No single report can tell the whole story of our school's educational program or the people who work and learn here. We encourage you to find out firsthand by visiting our school. If you are a parent of one of our students, we invite you to take an active role in your child's learning because studies show that when parents are involved, students do better in school.

HOW WE ARE IMPROVING

Teed Elementary continues to work on improving math scores. We are implementing the new district curriculum and continue to use Accelerated Math as a supplement to our overall program.

WHAT WE CELEBRATE

We celebrate our continued improvement in our student's math scores and our intramural program has roughly 85% participation.

OUR SCHOOL COMMUNITY

Many factors, such as how often a child attends school, moving frequently, and English language experience, influence school achievement. Measuring these characteristics helps us understand our students' needs.

ABOUT OUR STUDENTS

- 0% Who participated in programs to learn English
- 28% Who qualified for free or reduced-price lunch
- 3% Who participated in gifted and talented programs

Our school values the involvement of parents and we thank all parents who are able to visit the school during the year.

ABOUT OUR PARENTS

- 98% Who attended parent teacher conferences
- 25% Who volunteered their time

We are committed to ensuring that highly trained and qualified teachers instruct our students. Parents are welcome to request information about the qualification of their child's teachers at anytime. In addition, if the need arises for your child to be taught by a teacher without complete qualifications for more than four weeks, we will notify you.

ABOUT OUR TEACHERS

- 0 Percent who are teaching as an approved consultant specialist
- 0 Percent who are teaching with a letter of authorization

OUR SCHOOL ENVIRONMENT

Our goal is to provide a place for students to learn without distractions and concerns for safety. We closely monitor activities on our campus and offer comprehensive programs to prevent alcohol, tobacco, and substance abuse. As required by state and federal laws and rules, we collect, monitor, and report on crimes and substance abuse incidents on our campus and at school activities. A complete report of this information about our school and district is available at: <http://www.sde.state.id.us/ipd/reportcard/SchoolReportCard.asp> or by contacting Duane Peck in our school district.

OUR STUDENTS' ACADEMIC ACHIEVEMENT

ABOUT OUR STUDENTS' TEST RESULTS

Included with this are "Adequate Yearly Progress Assessment Reports." These reports provide detailed information about the academic performance of our students and specific groups of students on state reading, math, and language usage tests.

ABOUT OUR SCHOOL'S PROGRESS

The results from these tests also are used to measure the progress of our school toward state and federal goals. The report called "Adequate Yearly Progress Indicators" details which goals our school met and those we may have missed.
