Creating a Team Set

Publication Date: 07/09/07
Version: 1.0

Introduction/Purpose:

A team set is a group of teams in the same class or same group of classes. By creating a set, you keep your teams separate from those belonging to other teachers or classes.

Click **Add**. To add another team set, repeat steps 3 and 4.

The screenshot shows the 'Accelerated Math' interface for 'Home > Teams & Goals'. The main heading is 'Add Team Sets' with a sub-instruction: 'Type in the name of the Team Set and choose the owner. Click [Add] to create it.' Below this is a 'Team Set Details' section with two input fields: 'Team Set Name' containing 'Block 1' and 'Owner' containing 'Shelby Harris'. To the right is a table with two columns: 'Team Set Name' and 'Owner', with one row containing 'Binder' and 'Binder, Jessica'. At the bottom left are 'Add' and 'Done' buttons. A blue callout bubble with the text 'Click Add' points to the 'Add' button.
