Honor Society

Crimson Point Honor Society held its first induction ceremony March 6. Fifty-four 5th and 6th grade students and their guests joined several Crimson teachers and staff to celebrate this special occasion.

Volunteers from PTA decorated the gym and cafeteria beautifully. The CP choir performed several numbers. Mrs. McGrath, the middle school principal, donated cakes for the event and KMS Honor Society students helped as ushers for the evening.

CP is the 227th school in the United States to charter a National Elementary Honor Society chapter. We are excited to have such a positive opportunity for our students.

Student Safety & School Rules

In order to ensure student safety and protect parent rights, please make sure to provide the office with any new information regarding the following for your children:

- Legal custody and visitation documents
- Court ordered "no contact" or limited contact paperwork
- Changes in pick-up information, including who is allowed to take students from school
- Correct contact information for you and emergency contacts

Spring is in the air! Please remind your students of the following rules:

- No riding skateboards, scooters, or bikes on the blacktop or sidewalks.
- Appropriate attire is required for school. Tank tops, short skirts, and short shorts are not allowed.
- Trading cards are not allowed (due to excessive drama over "trades" and lost cards).
- Toys and electronic devices are NOT allowed at school. We realize that some students need to remain occupied on long bus rides. However, toys and electronic devices— including cell phones— are to be in backpacks as soon as students arrive on campus. We will not spend a lot of time investigating losses of these items.

Be good on the bus!! Safety is important. Students need to keep the noise down, follow instructions, and keep their hands to themselves.

One of the things that makes Crimson great is our caring community. We encourage students and adults in our building to model kindness, consideration, and respect.

All students should feel safe, welcome, and happy in school.

Please remind your students to be positive and supportive— we are lucky to have such great kids!

3rd Grade Iditarod

The race is on! The 3rd Grade Iditarod has begun. Students are competing by accumulating reading minutes until March 19th.

Prizes will be given to the three students who read the most minutes in each classmush-mush read-read!

"WAGONS HO"

The wagons are coming! Thanks to a very successful spaghetti feast fundraiser, we are able to host the Wagons Ho event for 4th graders again this year. On March 19th, the CP campus will be turned into a rendezvous camp, with a covered wagon, Dutch oven cooking, and hands-on activities that allow students to experience life in the old West.

We appreciate all the community support to raise money for the event and those who volunteered at the dinner and who will be helping out on the day of the activities.

Boys & Girls Club in Kuna this Summer!!

Boys and Girls Club will be having a summer program at Reed. The BGC would like input so they can plan activities. Please follow the link on the Kuna School web page to provide your input. This will be a great opportunity for students this summer!

Cool Stuff at Crimson Point

- Chess Club is still going strong! The club purchased entire tournament sets with donated funds and they are still meeting at lunch time on Tuesdays & Thursdays in Mrs. Rognlie’s room.
- Did you know that we have a Knitting Club at CP? Mrs. Killett has around 30 4th grade students who rotate in during lunch hours to learn how to knit. How cool is that?
- Crimson’s music classes and Choir have been busy! 5th graders put on a great program, “Tom Sawyer,” and the 6th graders did an awesome job performing “We Haz Jazz.” The choir performed at the Honor Society Induction and the Western Idaho Music Festival. We have so many talented kids— GREAT JOB!
- Our School Store has re-opened! Students can purchase items from a selection of school supplies and snacks (no candy). There is a \$3.00 limit per student in purchases. Profits go to various things, including prizes, special activities, and miscellaneous student and class needs.
