KIDS - HELP WANTED! Camp Invention needs elementary school inventors this summer at Kuna Middle School. For one week you'll make skateboards and crash test dummies for cars; build a roller coaster; play water balloon games, and crash land on Planet Zak where aliens are waiting for you! And there's more! Don't miss the fun with Mrs. Newton! Get ready to let your imagination run wild! Sign up before May 31st for savings. Camp will run June 12 - 16, from 9:00 am-3:30 pm. PARENTS: Camp Invention is a non-profit program of the National Inventor's Hall of Fame in partnership with the United States Patent and Trademark Office. Registration: <http://www.campinvention.org> or call 1-800-968-4332. Call 345-8738 for scholarship information.

+ + + + +

As the weather gets warmer, please remember to dress your students appropriately for school. In our Hubbard Handbook it states, "Clothing to avoid for school includes short shorts, flip-flops, tank and halter tops."

+ + + + +

Please do not drop your students off at the school before 8:00 a.m., as there is no one on duty to supervise them until then.

+ + + + +

We are still collecting empty ink cartridges, soup labels and box tops. These are on-going fundraisers for Hubbard and we appreciate your contributions.
