

As the new school year begins, we wanted to send out a reminder to help keep traffic flowing at FMS. The map above shows the specifically color coordinated pick-up/drop-off zones we have at FMS. The **blue** line represents the parent zone for all student (grades 6-8) drop-offs and pickups who aren't on special needs or school bus transportation. Parents dropping in the blue zone will enter between FMS and Hubbard and exit at the main FMS driveway. The **red** line (front of school zone) is for Special Ed buses only and employee entrance. The only parent drop-offs or pick ups in this area are reserved for students with special needs/medical assistance. The **yellow** zone is where school bus drop-off and pick-up will take place. Thank you for your assistance in making this a positive experience for everyone.
