

The Kuna School District Board of Trustees firmly believes that all children can learn and resolves to provide for them a safe and orderly environment, maximum learning opportunities, and an able, motivated and caring staff who will hold high expectations for their success.

Therefore, the Board of Trustees has adopted the following mission statement: The Kuna School District is committed to teach each student to become a lifelong learner and a contributing, responsible citizen.

**ADOPTED:** November 11, 2003
