

August 2021

Kuna School District Parents & Caregivers

We will provide Chromebook for every student to use at school and at home to support their learning in the 2021-22 school year.

We heard from parents concerned about the potential cost of repairs or replacement of devices which can be more than \$250.

We are pleased to offer a low-cost device deposit program.

For a one-time \$25 (down \$10 from 2020-21) deposit (or less for low income students and multi-child families), the deposit will cover the cost of one device repair and a discounted rate of \$75 replacement for a lost or stolen Chromebook. If additional repairs are needed, a deductible would be charged. Details on the coverage are below.

To benefit from this program, pay the deposit by October 1. You may do this by logging into your [parent account](#) in Tyler SIS and complete the required eform which is highlighted in yellow. You will be asked to choose from one of the following options:

- accept deposit and then pay online or drop off payment at school or
- waive the device deposit because you qualify for free or reduced lunch
- decline deposit

Thank you!

2021-22 Kuna School District Device Deposit	
<ul style="list-style-type: none">● \$25 Annual Deposit for one student in a family● \$45 Annual Deposit for two students in a family● \$60 Annual Deposit for three students in a family● \$70 Annual Deposit for four or more students in a family Deposit waiver available for students on free or reduced price lunch
